5 January 2024

Dear Parents/Guardian of Secondary 4 and 5 Students,

1 A warm welcome to the Clementi Town Secondary School (CTSS) community! Each term, you will receive a letter from the Principal which highlights key announcements and school programmes.

School Motto, Vision, Mission, and Values

School Motto

Aspire and Grow

School Vision

*Being a vibrant community of learners, with the heart to value every individual
and the spirit to serve and to excel.*

School Mission

*To develop in every Clementeen the passion to learn,
the confidence to lead and the humility to serve.*

School Values

Adaptability, Self-discipline, Perseverance, Integrity, Respect, Empathy (ASPIRE)

2 Our school Motto, Vision, Mission, and Values guide all that we do in CTSS and represent what we would like your child/ward (or 'Clementeen') to become by the time he/she graduates. Our desired outcomes are for all Clementeens to be anchored in the ASPIRE values; have a positive attitude towards lifelong learning; and care for one another as well as others in the community. Our Clementeens do best when we work hand in hand. Hence, I seek your support to partner with my teachers.

Sec 4/5 Meet-the-Parents Session (12 January 2024)

3 I warmly invite you to attend the Sec 4/5 Meet-the-Parents session on Friday 12 January 2024. Sec 4/5 CCAPs will meet all parents in the classrooms from 6.30pm to 7.00pm, thereafter School Leader's and Assistant Year Head's address and Education and Career Guidance (ECG) sharing will be held in the hall from 7.15pm to 8.20pm. This is part of our effort to enhance communication and partnership with you. More information regarding the Meet-the-Parents session will be put up on Parent Gateway.

School Hours, Policies on Attendance and Use of Personal Electronic Devices (PED)

4 We would like to emphasise the importance of regular school attendance, which is strongly correlated to student engagement and achievement. If your child/ward has to miss school due to medical reasons, please ensure that his/her absence is supported by a Medical Certificate (MC). For other absences from school not supported by medical reasons, please note that the school will only accept a maximum of

two letters of excuse from parents/guardians, per term. A valid reason should be provided. Additionally, please ensure that if you have any holiday plans to schedule it only after school closure.

5 If your child/ward is not in school by 8.00am each school day, an SMS notification will be sent to one of the parents/guardian at 8.30am. This is to keep you informed of your child/ward's daily attendance. Please note that only the parent/guardian listed as the "Primary Person to Contact" will be notified by SMS when your child/ward is not in school.

6 Use of personal electronic devices (PEDs) such as mobile phones and mobile game consoles are not allowed during curriculum time, CCA sessions, learning journeys, enrichment and academic support programmes. Clementeans must switch off and keep their PEDs in their assigned locker from 7.30am. Mobile phones can only be used after curriculum time at the PED zones – Foyer (includes in front Youth Club House), umbrella seats (in front of General Office) and the canteen. For students who do not abide by this rule, his/her parents/guardians will be invited to the school to collect the mobile phone from the school after the period of confiscation.

School Assessment Policy

7 Since 2023, the school had removed Mid-Year Examinations (MYE) for all levels in line with MOE's move to pace out teaching and learning and for students to have more space and time to develop 21st century competencies and experience greater joy in learning.

8 Students will receive feedback on their learning progress through in-class and take-home work as well as during lesson activities. Secondary 4 and 5 students will be assessed through Assessment Checkpoints (ACs) conducted over the course of the year, before they sit for the summative assessments - Preliminary Examinations. Please visit the webpage for an overview of the Assessment Weighting Plan [here](#).

9 The Assessment Checkpoints (ACs) can take the form of written tests, or alternative assessments such as projects, oral presentations, coursework, performance tasks, practical tests, etc. To ensure the assessment load is manageable for students, the school has a policy of no more than:

- 1 AC per subject per term,
- up to 4 ACs in any given week for Secondary 4 and 5 students
- up to 3 ACs in any given day

A week-level schedule of ACs for the various terms will be provided in a separate notification through PG.

Personal Data Protection Act (PDPA)

10 Photographs or video images of you and your child/ward may be taken during school activities and events such as classroom lessons, CCAs and school camps to name a few. The school may use and publish such photographs and video recordings in school publications, the school website, social media platforms and other communication channels. If you do not wish to have your child/ward featured in our publications and the other platforms mentioned above, please write to teng_may_hwee_teresa@moe.edu.sg by Wednesday 10 January 2024 with your child/ward's full name, level of study and Co-Curricular Activity (CCA).

School Public Online Calendar

11 The school maintains a public online calendar on our website for parents/guardians' reference. It can be accessed via the school website here.

<https://www.clementitownsec.moe.edu.sg/about-us/ctss-calendar-2024/>

Blended Learning & CTSS Self-Directed Learning Days

12 MOE first announced the implementation of Blended Learning and regularly scheduled Home-Based Learning days for secondary schools in 2020.

13 In brief, Blended Learning means our students will have opportunities to learn using both online and offline approaches, both in class as well as on home-based learning days. When in class, blended learning is aided by students' personal learning devices (PLDs).

14 Blended Learning will also occur on Home-Based Learning days, which CTSS refers to as Self-Directed Learning Days (SDL Days, for short). SDL Days aim to provide students with more opportunities to learn at their own pace and to be empowered to take charge of their learning. There will also be an emphasis on Student-Initiated Learning, whereby dedicated time and space will be provided to allow students to pursue their own interests and learn outside of the curriculum.

15 *CTSS Self-Directed Learning (SDL) Days*: SDL Days is a regular feature in our students' learning experiences, spanning:

- Terms 1 to 4 of a school year for Sec 1 to 3;
- Terms 1 and 2 for Sec 4 and 5.

SDL Days are scheduled on **Even Week Fridays**.

16 To prepare our students for their learning on SDL Days, **the first SDL Day will be held in school on Friday 12 January 2024, from 7.30am to 12.50pm**. Students will need to bring their PLDs, Apple Pencils and personal earpieces (Sec 2 to 5 only) and student handbook (Sec 1 only). They will learn learning strategies, study skills, time management, and self-regulating strategies such as goal setting, action planning, monitoring and evaluation of progress.

17 From the second SDL day (Friday 26 January 2024) onwards, your child/ward need not report to school on SDL Days. He/She will exercise his learner agency in planning his learning schedule on these days which would consists of the subjects mentioned below. He/She is expected to complete the learning tasks and assignments via e-Learning portals. The instructions will be shared by the subject teachers with your child/ward through respective Google Classrooms on these days. The following subjects will make up the scope of students' academic learning on SDL Days.

Cohort	Subjects
Sec 1, 2	EL, Math, Mother Tongue, Science
Sec 3 Express	EL, Math, Mother Tongue, Pure Chemistry/Science (Physics/Biology)
Sec 3 Normal (Academic)	EL, Math, Mother Tongue, Science (Physics/Biology)
Sec 3 Normal (Technical)	EL, Math, Mother Tongue, Science
Sec 4 Express	EL, Math, Pure Physics/Pure Biology/Combined Science Chemistry, Humanities (Geo/Hist)
Sec 4 Normal (Technical)	EL, Math, CPA, Science
Sec 5 Normal (Academic)	EL, Math, Humanities (SS), Science (Physics/Biology)

18 *Student-Initiated Learning (SIL)*: In addition to subject lessons, students are provided the time and space to actively explore their interests and passions, and learn within and beyond the curriculum. As such, SIL seeks to develop students' intrinsic motivation and nurture self-directed learning. To ensure students

have agency and choice over what they want to learn, the school has curated a wide range of appropriate learning experiences and resources for students to choose from. The recommended duration for SIL is 1 hour on each SDL day.

19 Here are useful websites for students and parents to find out more:

Microsite on SDL Days in CTSS	https://sites.google.com/moe.edu.sg/ndlp-clementi-town-secondary/sdl-days
Microsite on SIL as part of SDL Days	https://sites.google.com/moe.edu.sg/ndlp-clementi-town-secondary/self-initiated-learning-sil
Resources for Parents on National Digital Literacy Programme and management of Personal Learning Device	https://sites.google.com/moe.edu.sg/ndlp-clementi-town-secondary/resources-for-parents

20 **Responsible Use of PLDs and Technology:** Students should charge their PLDs and Apple Pencils and bring them daily to school. They are also expected to act in a responsible and appropriate manner when using technology for lessons and school-related activities. Students must abide by the code of conduct as stated in the student handbook, failing which the school will take necessary actions to redirect the students towards responsible and respectful use of technological devices. These actions may include loss of usage privileges for a period of time, supervised use of devices and confiscation of devices.

Group Personal Accident (GPA) Insurance for students

21 Your child will be covered by MOE GPA Insurance Plan for students. For more information, please refer to the product fact sheet.

Secondary 4 and 5 Programmes in Term 1

Career Festival 2024 (5 January 2024)

22 The CTSS Career Festival is an annual signature event for our Secondary 4 and 5 students to have a deeper understanding of the post-secondary school pathways available for the respective academic streams, as well as have a deeper understanding of the various work industries that are of interest to the students. The Career Festival will take place during curriculum hours. Students will be informed via Level Google Classroom to make their selection by early Term 1 Week 1 of 2023. Throughout the year, the school will make information about junior colleges and institutions' Open Houses available to our students.

Chinese New Year Celebration (9 Feb 2024) and Annual Donation Drive

23 The school will be organising a Chinese New Year Celebration on Fri 9 February 2024. Students will be dismissed at 10.30am on that day. Students do not need to report to school on Monday 12 February and Tuesday 13 February 2024 as these two dates are CNY public holiday and Day Off-in-lieu respectively.

24 In the midst of celebration, we remember the underprivileged in our society. In inculcating the value of empathy in our Clementeans, the Mother Tongue Language (MTL) Department is holding the annual donation drive for St Andrew's Cathedral Home for the Aged. We seek your support to encourage your child/ward to contribute at least one item (e.g. canned food or daily necessities) by Friday 2 February 2024. Donations are voluntary. Details on the donation drive will also be posted on Parents Gateway.

Mother Tongue Language Fortnight Programme (19 February – 1 March 2024)

25 To develop students' understanding and interest towards their own culture, the MTL Department will hold the Mother Tongue Language Fortnight Programme from 19 February to 1 March 2024. Details will be provided later.

Total Defence Day 2024 (15 February 2024)

26 Total Defence Day 2024 will mark 40 Years of Total Defence (TD40). The focus for TD40 will be on Singaporean's readiness and resilience in the face of crises and disruptions. Every Singaporean plays a part in our daily lives to ensure that Singapore is prepared for crises and disruption. Hence, the school will be commemorating Total Defence Day with a variety of activities in that week to create an engaging and meaningful experience to inculcate in them the understanding that everyone has a part to play to protect Singapore.

End of Term Cohort Activity

27 To end the term meaningfully, we will be organising a Cohort Activity on Wednesday, 6 March and Thursday 7 March. The Secondary 4s and 5s will be participating in a two-part programme:

Part 1	Confidence and Presentation Skills Workshop Clementeens will glean insights and practical techniques to help them develop a strong sense of self-worth and the ability to communicate effectively. From overcoming stage fright to presenting ideas confidently, we'll explore strategies that empower your child in various aspects of their life.
Part 2	Night Hike (Signature Programme for Graduating Clementeens) On Thursday 7 March, they will be attending an in-house Carnival organised by the Sec 3s. Other than showing their support, it will be an opportunity for them to learn, grow, and connect beyond the classroom. Following which, students, accompanied by their alumni seniors and teachers, will hike from Seah Imm Car Park (opposite Vivocity) back to school on an approximately 15km walk. The night hike embodies the spirit of resilience, strength, and preparation for their journey ahead as they gear up for their national exams.

For queries or clarification, please contact the Secondary Four Assistant Year Head, Mr Kenneth Tan at tan_ming_hon@moe.edu.sg.

Prior Notice: Sec 4 and 5 Art, Music, Design & Technology (D&T) Intensive Programme (1st week, June holidays)

28 The school will hold an Intensive Programme for all Sec 4 and Sec 5N(A) Art, Music and Design & Technology (D&T) students in the first week of June school holidays. The focus is on enabling Art, Music and D&T students to complete their O and N Level coursework examination. The schedule is shown below.

Secondary 4NA and 4NT 27 May – 30 May 2024, 8.00 am – 3.00 pm
Secondary 4E and 5NA 28 May – 30 May 2024, 8.00 am – 3.00 pm

Please note that students' attendance is compulsory. Your consent will be sought through Parents Gateway in a separate notice. For clarifications, please write to Mrs Magdalene Peh (HOD/Craft, Technology and Aesthetics) at yeo_hwee_ching_magdalene@moe.edu.sg or contact her at 6777 7362 (ext. 432).

Conclusion

29 I look forward to your support and partnership as we work together towards a new year of learning and growth with our young Clementeens in 2024. I wish you and your family a safe and fulfilling year ahead.

Yours sincerely,

Mdm Rasidah Bte Rahim

Principal
